Professional Experience

Green River College Career & Advising Center | Auburn, WA — October 2024 - June 2025

Student Navigator, Work Study

- Guided students through advising services and answered academic and administrative questions in a student-facing office.
- Coordinated appointments, processed documents, completed data entry, and maintained organized student records.
- Supported front-desk operations and office projects while communicating clearly with students, advisors, and staff.

Academic Experience/Projects

Job Quest | *UX Design and Research* — Spring 2026

- Designed a gamified job-search platform; conducted interviews, surveys, and usability tests to identify student needs.
- Created wireframes and prototypes, then improved navigation and the user experience based on participant feedback.

CeraVe Skincare Assistant | *UX Design* — 2026

- Designed an interactive product-comparison and routine-building experience with expandable cards; refined information and navigation through usability testing.

charity: water Landing Page | *UX/UI, Marketing and Web Design* — 2026

- Created the visual and marketing direction in Canva for a college-student audience, applied brand guidelines, and built a responsive HTML/CSS page published through GitHub Pages.

TravBuddy | *UX Design and Front-End Development* — 2026 - Present

- Collaborate on a React travel-planning app by designing responsive layouts and reusable components and managing team contributions through Git and GitHub.

Algorithmic Bias in Digital Activism | *UX Research* — 2026

- Developed an ethical research proposal using digital ethnography and semi-structured interviews to study algorithmic visibility, privacy, and digital inequality.

Leadership & Activities

Muslim Student Association | *Social Media Officer* — September 2024 - June 2025

- Managed Instagram content, designed promotional materials, and collaborated with officers to plan events and share updates.

Sisters in Seattle | *Organizer* — September 2020 - June 2022

- Organized community events, fundraisers, and volunteer projects.

DECA | *Member* — October 2019 - June 2023

- Competed in business and marketing events and advanced to the state level each year.
